

Watchguard 4 CAMERA PACK

Watch On Your Smart Phone via apps.

Package Includes:

- 4 Channel H.264 Digital Video Recorder with 1TB HDD
- 4 x 15m Infrared, Weatherproof Bullet Cameras
- 19" LCD Widescreen Monitor
- Power Supplies & Network Cable
- IR Remote Control
- Pre-wired and pre-terminated line-fed camera / power cables

DVR4ENTPACK6M
Also available without monitor or alternative cameras (see camera options below)

Watchguard 8 CAMERA PACK

Package Includes:

- 8 Channel H.264 Digital Video Recorder with 1TB HDD
- 4 x 15m Infrared, Weatherproof Bullet Cameras
- 4 x 15m Infrared, Vandal Proof, Weatherproof Domes
- 19" LCD Widescreen Monitor
- Power Supplies & Network Cable
- IR Remote Control and Mouse
- Pre-wired and pre-terminated line-fed camera / power cables

DVR8ENTPACK2M
Also available without monitor or alternative cameras (see camera options below)

Watchguard 16 CAMERA PACK

Package Includes:

- 16 Channel H.264 Digital Video Recorder with 2TB HDD
- 12 x 15m Infrared, Weatherproof Bullet Cameras
- 4 x 15m Infrared, Vandal Proof, Weatherproof Domes
- 19" LCD Monitor
- Power Supplies & Network Cable
- IR Remote Control and Mouse
- Pre-wired and pre-terminated line-fed camera / power cables

Watch On Your Smart Phone via apps.

DVR16ENTPACK2M

WATCHGUARD SENTINEL ENTRY LEVEL WIRELESS ALARM SYSTEM

Designed for use in a residential setting where the owner desires a basic security system without external monitoring

- Package Includes:**
- 2 x Remote controls to arm / disarm the alarm & panic function
 - 1 x Wireless PIR sensor to detect movement up to 12m.
 - 1 x Powerful outdoor siren and strobe to deter intruders
 - 4 x Warning stickers

Model No: WGSENTINEL

WATCHGUARD WIRELESS BURGLAR ALARM SYSTEM

Feature packed 8 zone security system

- Package Includes:**
- 2 x Wireless passive infrared sensor to detect movement up to 12m
 - 2 x Remote controls to arm/disarm the alarm and panic function
 - Backup battery & mains power adaptor
 - Powerful external siren with flashing blue strobe
 - High frequency internal siren to repel intruders
 - 4 x Warning stickers

Model No: WGUARD

WATCHGUARD DIGITAL CENTRAL STATION MONITORED WIRELESS ALARM

The communication dialer will transmit the detailed alarm information to your monitoring centre allowing them to take action.

- Package Includes:**
- 1 x Main control unit - communication dialer
 - 2 x Wireless movement sensors - designed to detect the body movement of an intruder inside your premises.
 - 2 x Code hopping remote controls - allows you to easily arm and disarm the system or activate the panic facility from virtually anywhere around your premises.
 - 1 x Power supply & 1 x phone connection lead

Model No: WGDIGITAL

SMS 2010 WIRELESS ALARM SYSTEM

Wireless Burglar Alarm System with SMS Alerts Direct to Your Mobile

- Package Includes:**
- 1 x 8 Zone alarm controller unit w/ built in quad band GSM modem
 - 2 x Wireless PIR movement sensors
 - 2 x 2 Button code Hopping remote controls
 - 1 x 12V DC power supply for the alarm unit
 - 1 x Compact external siren with strobe
 - 4 x Warning stickers

Model No: WGSMS2010

WIRELESS ALARM COMPONENTS

Wireless PIR Sensor

- Dual Edge™ PIR Sensor Technology
- 12m detection range
- Swivel bracket for easy installation
- 1 x CR2450 lithium batteries

Model No: PIRW3

Wireless Reed Switch

- Used on doors and windows
- Inbuilt terminals - use as universal transmitter
- 1 x CR2450 lithium batteries

Model No: WREEDI

Wireless Smoke Detector

- Gas Ionisation type
- Inbuilt piezo siren
- 9 volt alkaline battery
- Audible low battery warning

Model No: SMODETW

Wireless Mini Keypad

- Arm / disarm alarm & panic functions
- Backlit rubber buttons
- Only 45 x 55 mm
- Code Hopping Technology

Model No: WKP

Personal Emergency / Panic Pendant

- For elderly or invalid person in mind
- Splashproof large easy push button
- Nylon lanyard included

Model No: WPANIC

HARDWIRED ALARM COMPONENTS

Mini Surface Mount Reed Switch

- Compact design surface mount
- Industry standard
- N/C contacts

Model No: DSRLW

Roller Shutter Reed Switch

- Strong heavy duty cast housing
- Termination contacts via a stainless steel flexible conduit
- N/C contacts

Model No: DRSR

Hardwired Photoelectric Smoke Detector

- Infrared Photoelectric Diode
- Dust and insect proof
- Detection Range 20m Sq
- 12V DC

Model No: SMODET15P

Universal Movement Sensor With Dual Technology

- Dual Technology
- Detect movement up to 12m
- Auto temperature compensation
- N.O. or N.C. alarm outputs

Model No: PIRHWDT

Universal Movement Sensor With Triple Technology

- Triple technology detector
- Detect movement up to 12m
- N.O. or N.C. alarm outputs

Model No: PIRHWT

Compact External Siren With Strobe

- 115dB external siren
- Integrated blue strobe light
- Piezo siren & tamper switch
- 12V power

Model No: W24SIREN

2 Channel Transmitter / Receiver Set 433.92 MHz

- Transmitter range up to 300m
- 1 second negative outputs
- 2 x code hopping remote controls
- Ideal for garage door, home alarm system, or your electric gate

Model No: RCX

4 Channel Multi-Function Receiver / Transmitter Set - 433.92 MHz

- Up to 200m radio frequency range (line of sight)
- All outputs are individually programmable to suit almost any application
- Up to 5 high security code hopping remotes (anti-scan, anti-code grabbing) can be used
- Power supply requirement: 12VDC @ 500mA
- Compatible with Watchguard wireless alarm detectors
- Up to 4 wireless detectors can be used
- Supports detector low battery, supervision & tamper signal outputs
- Step by step programming via remote control & indication via feature and channel LEDs
- Ideal for Ideal for garage door, home alarm system, or your electric gate

Model No: RXPR04

HARDWIRED CONTROL PANEL KIT

8 Zone Hardwired Complete Alarm Kit Expandable to 64 Monitored Zones

Complete home or commercial alarm system with contact ID protocol dialer for a central monitoring station.

It contains a premier Watchguard 8 zone alarm panel, internal and external sirens, 3 high quality PIR movement sensors, 4 reed switches for your doors or windows, an emergency duress button and all necessary power supplies and cabling.

These detectors and sirens help protect all areas of your house by performing functions such as monitoring your rooms for movement, and detecting when doors or windows are opened. The system has been designed to be easily operated, with all programming done via a simple menu driven system through the LCD keypad or via the PC interface.
